

G121EAN01.0 AUO 12.1inch lcd panel

Model	G121EAN01.0
Brand	AUO
Category	Industrial LCD display

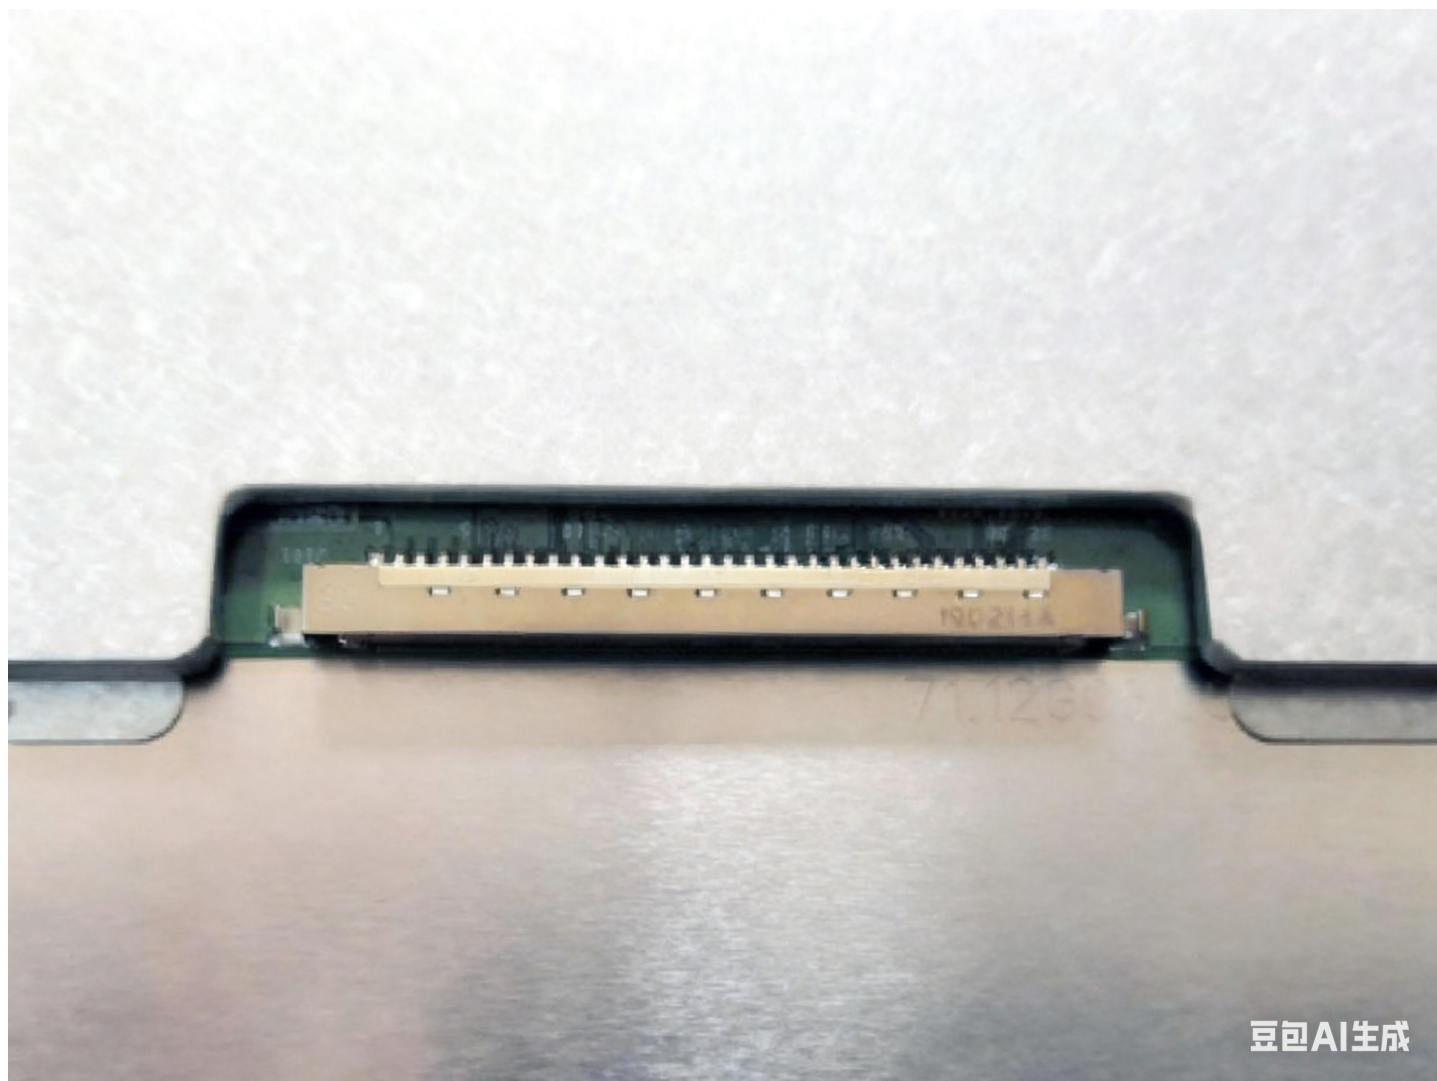

Note:

Invshop recommends that you inquire with the original factory or its agents about the latest production status and technical information about G121EAN01.0. The product parameters displayed on Invshop are entered by Invshop engineers according to the specifications, and efforts have been made to minimize errors, but we cannot guarantee the complete correctness of the parameters. Please refer to the specification sheet!

[illegible]

The image shows the back of a silver laptop chassis. The main body is a brushed metal plate. In the bottom-left corner, there are two white labels. The top label is a standard barcode. The bottom label contains the following text: "Manufacturer: HP", "Model No.: 2110", "Part No.: 2110", "MADE IN CHINA", and "© 2010". Below this text are several small circular logos, including the RoHS and WEEE symbols. On the right side, there is a black rectangular label. The bottom edge of the chassis shows the internal components, including the battery, keyboard, and various connectors. The chassis is shown at an angle, highlighting its slim profile.
