## Note:

Invshop recommends that you inquire with the original factory or its agents about the latest production status and technical information about M133NVF3 R2. The product parameters displayed on Invshop are entered by Invshop engineers according to the specifications, and efforts have been made to minimize errors, but we cannot guarantee the complete correctness of the parameters. Please refer to the specification sheet!

The image shows the back of a 26.1 inch LED LCD panel. It features two large circular cutouts in the center. There are four mounting holes at the corners. Labels include a barcode at the top left, a small square logo at the bottom center, and a large label at the bottom right with technical specifications and a CE mark. The panel is black with a silver-colored frame.

The image shows the back of a 26.1 inch LED LCD panel. It features two large circular cutouts in the center. There are four mounting holes at the corners. Labels include a barcode at the top left, a small square logo at the bottom center, and a large label at the bottom right with technical specifications and a CE mark. The panel is black and appears to be a standard industrial or commercial display.
