

# N140HCE-GN2 Innolux 14" TFT-LCD screen 1920\*1080 Display

|                  |                                              |
|------------------|----------------------------------------------|
| Model            | N140HCE-GN2                                  |
| Brand            | Innolux                                      |
| Category         | <a href="#">Innolux</a>                      |
| Brand            | Innolux                                      |
| Model            | N140HCE-GN2                                  |
| Size             | 14inch                                       |
| Resolution       | 1920*1080                                    |
| Display Colors   | 262K 100% sRGB                               |
| Signal Interface | eDP (2 Lanes) , eDP1.3 , 30 pins Connector   |
| Panel Type       | a-Si TFT-LCD, LCM                            |
| Contrast Ratio   | 700:1 (Typ.) (TM)                            |
| Lamp Type        | 4 strings WLED , 15K hours , With LED Driver |
| Touch Screen     | Without                                      |

Note:

Invshop recommends that you inquire with the original factory or its agents about the latest production status and technical information about N140HCE-GN2. The product parameters displayed on Invshop are entered by Invshop engineers according to the specifications, and efforts have been made to minimize errors, but we cannot guarantee the complete correctness of the parameters. Please refer to the specification sheet!
